Financial Policy

We'd like to thank you for choosing ProActive SportsMed for your physical therapy treatment. In order for us to bill your insurance company on a regular basis, we request that you sign this release of information and assignment of benefits (if applicable). Typically, insurance companies pay a predetermined percentage of our treatment charge. We therefore request that on each visit you pay the difference and/or any applicable co-payments. This will enable you to keep your account current and avoid a large balance that may be difficult for you to pay in one payment at the end of your treatment.

All accounts not covered by insurance are due and payable in full at the time of service. We accept cash, checks, and credit/debit cards. If needed, you may apply for an extended payment plan upon approval of credit.

Regarding Insurance

Your insurance policy is a contract between you and your insurance company. We cannot accept responsibility for collecting an insurance claim or negotiating a disputed claim. However, we can and will help by submitting your claim for you. The balance for services rendered at ProActive SportsMed is your financial responsibility.

I have read and understand:

Initials

Late Cancellations and No-Shows

We understand that sometimes the unexpected can happen, and you may be unable to keep an appointment. We would appreciate 24 hours notice prior to a scheduled appointment if you need to cancel or reschedule. If a patient fails to appear without contacting us for three scheduled appointments, or cancels an excessive number of times, physical therapy treatment may be discontinued and the referring provider notified.

I have read and understand:

Initials

I authorize my insurance benefits to be paid directly to ProActive SportsMed and I understand that I am financially responsible for any balance due. I also authorize the release of any medical information necessary to process this claim.

I understand that I am financially responsible for all charges for services rendered regardless of litigation, insurance reimbursement, or pending worker's compensation claims. I understand the parent or guardian accompanying a minor for treatment will be responsible for payment.

I understand that in some instances the applicable insurance does not cover the entire charge. I agree to be responsible for any portion of the bill not covered by insurance. I understand that if my account has an outstanding balance over 90 days duration, I will be charged a 1% per month finance charge unless other arrangements are made in writing with ProActive SportsMed.

I hereby consent to the performance of physical therapy measures prescribed by my referring provider. I hereby waive and release ProActive SportsMed, their agents or employees from any and all claims, costs, expenses, liabilities, or judgments including attorney's fees and court costs (herein collectively "claims") arising out of my/my dependent's participation in the ProActive SportsMed's treatment or any illness or injury resulting therefrom.

I further agree to indemnify and hold harmless ProActive SportsMed, their agents or employees from and against any and such claims except claims caused by gross neglect or willful misconduct.

If a patient is a minor, and in the event I cannot be reached in an emergency, I hereby give my permission to the physician selected by ProActive SportsMed to administer emergency care.

I acknowledge that I have read and understand the financial policy and the cancellation and no-show policy stated above. I certify that all information I have provided in this registration form is true and correct to the best of my knowledge.
